Ms. Corbin,

As we discussed last week information you request is available online for your review at www.NorwoodAuditor.com. Follow this link for the exact location, http://www.norwoodauditor.com/user/image/yearly_budget_breakdown_2006-2013.pdf.

As you requested during our conversation, I have included a copy of the 2013 Expense Report Current Year Only. This shows the amount appropriated and the amount spent for each major key.

Please let me know if there is anything else you need.

Sincerely,

Jim Stith
Auditor
